& District Leaders**

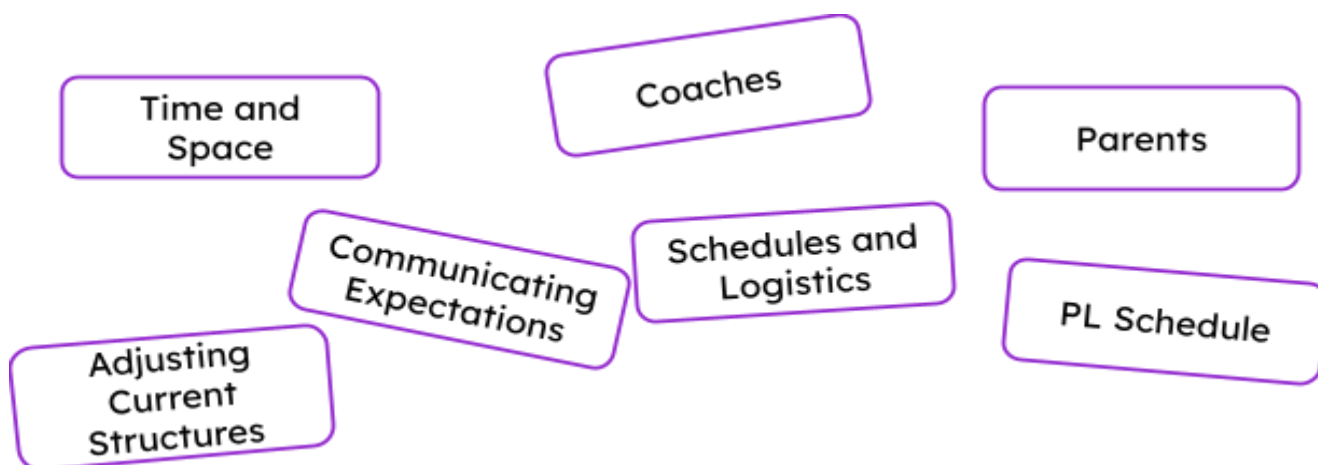

3.1 School Implementation Card Sort

Directions: Individually, sort the 12 scenarios into the appropriate column. Then, discuss your choices with your team.

Hinders Implementation	Supports Implementation

3.2 Goal Setting

Directions: Think about some commitments you can make that will support implementation. Document your goals in the space below. Be ready to share your goals and your rationale for choosing them. We will revisit your goals and check in the next time we meet. Included here are some considerations for goal setting, but this is certainly not an exhaustive list.

Goals:
