

Getting Started with Success: Imagine Learning (IL) Illustrative Mathematics (IM) in Imagine Learning Classroom (ILC)

Overview: This workshop is designed to successfully support teachers in the launch of Imagine Learning Illustrative Mathematics (IM) in Imagine Learning Classroom (ILC). Participants will be introduced to the digital resources and functionality available on Imagine Learning Classroom (ILC) through hands-on activities, reinforcing a higher-level understanding of the core principles of the Illustrative Mathematics curriculum.

Workshop Goals:

- Navigate within Imagine Learning Classroom
- Understand the digital resources available at the curriculum, unit, and lesson-level
- Use features of Imagine Learning Classroom to engage students, including assigning and grade digital activities and assessments
