Take Off with Imagine Learning EL Education Session Agenda

Component	Objectives
Welcome	Meet your facilitator. Review the goals for the day and how the goals can enhance your teaching practice.
Curriculum & Grade Level	During this section, we will share highlights about the Imagine Learning EL Education curriculum. We will show how the resources are built into ILC. Participants will explore the Planning Hub on ILC during this section.
Module & Unit Level	This section will orient participants to the module structure of IL EL Education. They will learn about the resources available to bring families into the learning. Participants will explore their Module and Unit resources on ILC.
Lesson Level	We will spend time in the ILC platform learning about the lesson structure. Participants will explore their first lessons on ILC during this section.
Closing	Participants will review the learning targets, learn where to go to learn more about IL EL Education, and provide feedback on the session.

Session Learning Targets

- I can begin to understand the structure and design of Imagine Learning EL Education.
