

# Ensuring Trust and Compliance Across Your District

## Imagine Learning secures student data and upholds compliance

With Imagine Learning, your district's data is more than safe. We are dedicated to exceeding expectations in safeguarding student data and ensuring your district remains fully compliant with all federal and state regulations.

- **Compliance with Key Privacy Regulations:** Imagine Learning adheres to FERPA, COPPA, and other key regulations to ensure robust data protection.
- **In-Depth Technical Specifications:** Our security infrastructure includes strong data encryption, modern firewalls, physical security measures, employee account protection, and regular employee training, all designed to safeguard district data.
- **Proactive Threat Mitigation:** We maintain real-time system monitoring and a rigorous incident response plan, regularly tested and refined to address and neutralize potential threats swiftly.
- **Transparency and Accountability:** Regular security audits and reports keep district leaders informed and assured of our ongoing commitment to security.

Learn more about our commitment to security and compliance, trusted by hundreds of districts nationwide, at [imaginelearning.com/privacy](https://imaginelearning.com/privacy).
