

Getting Started with Success: Imagine Learning EL Education in Imagine Learning Classroom

Overview: This workshop is designed to successfully support teachers in the launch of Imagine Learning EL Education (EL) in the Imagine Learning Classroom (ILC). Participants will be introduced to the digital resources and functionality available on Imagine Learning Classroom (ILC) through hands-on activities while reinforcing a higher-level understanding of the core principles of the Imagine Learning EL Education curriculum.

Workshop Goals:

- Navigate the Imagine Learning Classroom
- Understand the key Imagine Learning EL Education resources at the Module, Unit, and lesson level for planning and instruction
- Use features of the IL Classroom to engage students in the EL Education curriculum

Roadmaps:

- [Grades K-2](#)
- [Grades 3-5](#)
- [Grades 6-8](#)
