Grade Level _____ Unit _____ Section _____ Lessons _____

Part 1: The Story

Review the Unit Narrative

- How does student understanding develop throughout the unit?
- What representations and strategies are utilized throughout the unit?
- Does anything in the unit surprise you or differ from what you expected?

Complete the Mid-unit or End-of-unit Assessment

- How does this assessment of student understanding connect to the unit narrative?
- Why are these questions the focus of this checkpoint?

Review the **Student Facing Learning Targets** for the section

- How does the section progress to tell the story of the unit?
- How does the assessment align with the section learning targets?
- What should students know after this section?

Reflection for After Teaching this Section

Directions: Reflect on this sequence of lessons. Provide your thoughts in the spaces below.

Overall thoughts about this section of lessons:

Are there any adjustments that you are considering so that these lessons are more successful the next time?

Why did you choose this category?
What went well?
What will be better next time?
