Grade Level _____ Unit _____ Section _____ Lessons _____

Part 1: The Story

Review the **Unit Narrative**

- How does student understanding develop throughout the unit?
- What representations and strategies are utilized throughout the unit?
- Does anything in the unit surprise you or differ from what you expected?

Take the **Section Checkpoint**

- How does this assessment of student understanding connect to the unit narrative?
- Why are these questions the focus of this checkpoint?

Part 2: Section Analysis

Review the **Section Narrative**

- How does student understanding develop throughout the section?
- What representations and strategies are utilized throughout the section?
- Does anything in the section surprise you or differ from what you expected?
- How does the section story fit into the unit story?

Review the **Section Goals**

- How does the section checkpoint align with the section goals?
- What should students know after this section?

Parts 3 and 4: *See Handout 2*

Part 5: End of Unit Assessment

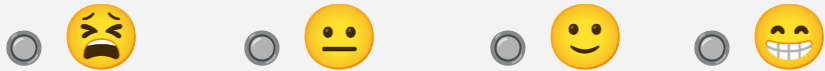

Complete the End of Unit Assessment

- Complete each question as if you are a student who has met the learning goal(s).
- Connect the questions to goals and activities from the section of lessons.
- What misunderstandings do you anticipate?
- What guidance from the teaching notes can you leverage to help alleviate anticipated misconceptions?

Reflection for After Teaching this Section

Directions: Reflect on this sequence of lessons. Provide your thoughts in the spaces below.

Overall thoughts about this section of lessons:

Are there any adjustments that you are considering so that these lessons are more successful the next time?

Why did you choose this category?
What went well?
What will be better next time?
