School Goals**

School Context Cards

Directions: Read each school context card independently.

| Notes and Observations | |
|------------------------------|--|
| Pinewood Elementary School | |
| Billings Middle School | |
| Crestwood Magnet High School | |
| Rivertown Academy | |

Cultivating Growth Assessment Reflection

You just spent time completing the survey as you predicted a specific person in your school would. Now, imagine every teacher in your school had similar responses.

What could you take away from those results?

What are some things that you know need to be addressed or adjusted?

Group Problem Solving

What is one problem that your group addressed with a creative solution that you intend to try at your school?
