

# K–5 Synchronous Online Teaching Services

## Accommodate a variety of learning needs while providing a personalized learning experience

Give K–5 students access to online instruction that blends the best of synchronous instruction provided by a highly qualified, certified online teacher of record with best-in-class, award-winning student-led curriculum. Students will work on asynchronous learning activities online, including instruction, learning modules, quizzes, and tests they can take at their own pace.

Certified online instructors provide:

- Whole-group, teacher-led instruction 45 minutes a day, five days a week in a specific core subject area
- 1:1 online office hours as requested by the student
- Small-group remediation and enrichment for 30 minutes, 1–2 times per week for students with grades below 50% in ELA and math
- Communication with families and school mentors and collaboration with the Imagine Learning support team
