

Imagine Sonday System Let's Play Learn® offers structured, systematic, multisensory practice for preschool through kindergarten readers and older students who need pre-reading intervention. Use it as a tool to develop foundational reading skills and prevent reading difficulties or as an intervention to strengthen pre-reading skills.

Instructor Set

Includes complete multisensory lesson plans and printable activity books as well as extra materials for a classroom aide to work with students in a small group station.

- Two Learning Plan Books (112 levels)
- Media Kit (printable activity books, music files, pronunciation guides)
- Rapid Naming Poster Set
- Two Sound Card Decks
- Alphabet Book
- Shapes and Numbers Book
- Name Strings Book
- Color Cards
- Letter and Number Card Decks
- Shape Cutout Sheets

Manipulatives Set

Contains six multisensory manipulatives, including:

- Uppercase Letters
