

Imagine Sonday System 2 Readers

Enhance your Imagine Sonday System instruction with aligned readers

Elevate your students' reading skills with our carefully crafted readers, created to align with the scope and sequence of Imagine Sonday System 2. These readers offer a controlled text environment that supports the development of automaticity and fluency and creates high interest and leveled readability in conjunction with Imagine Sonday System 2 and advanced levels of Imagine Sonday System 1.

- Print and digital readers offer students a more comprehensive and engaging experience, helping them achieve greater success in reading.

Key benefits of using our aligned readers include:

Reinforced Learning

Readers provide additional practice in vocabulary and comprehension at the same level as your Imagine Sonday System instruction.

Enhanced Engagement

Engaging stories and texts motivate students and keep them interested, boosting their confidence as they tackle texts at their own level.

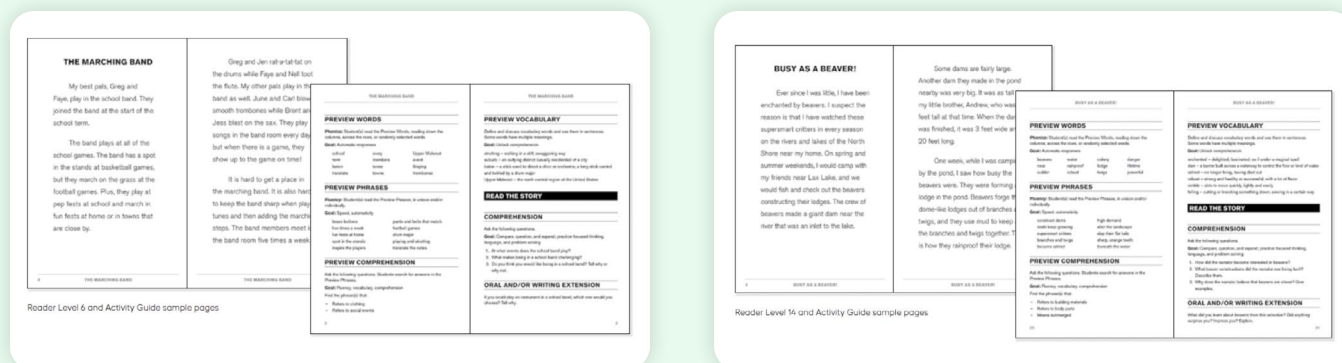

Improved Fluency

Regular practice with aligned readers can help students build fluency and read with greater ease and expression.

Customized, Flexible Instruction

Differentiate instruction with readers at different levels or by focusing on specific skills. Students can access readers independently, in class, or at home.

See the Difference: Aligned Readers for Imagine Sonday System

Our chapter-format stories are suitable for all ages and are aligned with Reading Levels 6–34 of Imagine Sonday System 2. Each set includes an Activity Guide for vocabulary and comprehension. These story-form readers are directly integrated into Imagine Sonday System 2 lessons as additional guided reading options for Step 6 (Read Aloud).

Quickly and easily build the science of reading into your reading block. To learn more, **connect with your sales representative or visit [imaginelearning.com/sonday-system](https://www.imaginelearning.com/sonday-system).**
