

TRAVERSE®

EXPLORING THE WORLD. INFORMING THE FUTURE.

Traverse is a comprehensive social studies curriculum for grades 6–12 built for state that combines the robust history, economics, geography, and government content you expect, with a framework that inspires students to question, be curious, *stay curious*, and become lifelong critical thinkers and informed citizens.

Aligned to **Alabama Social Studies Standards.**

SEE IT IN ACTION!

Traverse's intentional design leverages the flexibility and customization that only digital can offer—empowering teachers to create interactive and personalized learning experiences, while also providing the print resources needed to support you and every learner in your classroom.

In Traverse, students will:

- Investigate multiple perspectives through sources to develop an informed conclusion.
- Discover Alabama perspective through primary and secondary sources from Alabama.
- Analyze how the past connects to life in Alabama with Echo activities created specifically for Alabama.

In Traverse, teachers will find:

- All courses aligned to the most recent state standards.
- Standards-based pacing guides in both print and digital.
- C3 Framework and state standards labeling at point-of-use in the digital platform.
