

Grades 6–12

Intelli-Sync

Ensure instructional continuity and expand learning opportunities with a certified online teacher dedicated to your school

Give students the best of both worlds: engaging live instruction with a state-certified teacher and the flexibility to complete coursework at their own pace. Intelli-Sync combines robust digital curriculum with personalized whole-group, small-group, and 1:1 sessions — helping schools expand instructional capacity, support more learners, and foster the positive student–teacher relationships that drive success.

The Intelli-Sync Implementation Model

Focused Coursework

Flexible, student-paced learning with ongoing support

- Complete coursework at their own pace
- Communicate with teachers through text, email, or in-platform messaging
- Request just-in-time help with on-demand tutoring
- Work from home, library, or on campus with a site supervisor

Classroom Instruction

Live teaching that builds connection and drives progress

- Lead engaging, 50-minute, whole-class lessons each week
- Use performance data to provide targeted small-group and 1:1 instruction
- Deliver ongoing, personalized feedback to monitor progress
- Partner with Exceptional Education Coordinators to implement IEP supports

Ideal for hybrid implementation models with 1:1 devices

Intelli-Sync by the Numbers

150

Students supported in
each course

18-36

Weeks of instruction aligned
with school calendars

1

Instructor whose full-time
job is teaching the course

Expand access to core and elective courses for middle and high school students:

Mathematics

- Math 6
- Math 7
- Math 8
- Algebra I
- Algebra II
- Geometry
- Integrated Math I

English Language Arts

- ELA 6
- ELA 7
- ELA 8
- ELA 9
- ELA 10
- ELA 11
- ELA 12

Science

- Middle School Physical Science
- Chemistry
- Earth Science
- Biology

Social Studies

- Human Geography
- World History
- U.S. History
- U.S. Government

World Languages

- Spanish I
- Spanish II
