

Intelli-Sync

Ensure instructional continuity and expand learning opportunities with a certified online teacher dedicated to your school

Give students the best of both worlds: engaging live instruction with a state-certified teacher and the flexibility to complete coursework at their own pace. Intelli-Sync combines digital curriculum with ongoing teacher support — so you can support more students without overextending your staff.

The Intelli-Sync Implementation Model

Focused Coursework

Flexible, student-paced learning with ongoing support

- **Work at their own pace** through structured, standards-aligned coursework
- **Stay connected with their teacher** via text, email, or in-platform messaging
- **Get help when they need it** with on-demand tutoring support
- **Learn from anywhere** — at home, on campus, or in a supervised setting

Classroom Instruction

Live teaching that builds connection and keeps students on track

- **Lead engaging whole-class lessons** twice each week (50 minutes)
- **Provide targeted small-group and 1:1 support** to meet individual student needs
- **Deliver ongoing, personalized feedback** to keep students on track
- **Coordinate IEP-aligned support** with Exceptional Education staff

Ideal for hybrid implementation models with 1:1 devices

Intelli-Sync by the Numbers

150

Students supported in each course

18-36

Weeks of instruction aligned with school calendars

1

Instructor whose full-time job is teaching the course

What this means for your school:

- Maintain course offerings even when staffing is limited
- Support more students without increasing teacher workload
- Ensure consistent, high-quality instruction across classrooms

Expand access to core and elective courses for middle and high school students:

Mathematics

- Math 6
- Math 7
- Math 8
- Algebra I
- Algebra II
- Geometry
- Integrated Math I

English Language Arts

- ELA 6
- ELA 7
- ELA 8
- ELA 9
- ELA 10
- ELA 11
- ELA 12

Science

- Middle School Physical Science
- Chemistry
- Earth Science
- Biology

Social Studies

- Human Geography
- World History
- U.S. History
- U.S. Government

World Languages

- Spanish I
- Spanish II
