Imagine Learning PreK–12 ELA Portfolio

Effective, research-backed core, supplemental, and intervention solutions for all stages of literacy

From foundational skills to academic writing, Imagine Learning's PreK–12 English language arts (ELA) solutions equip educators to support every student's progress with effective, evidence-aligned instruction. Our literacy curricula are grounded in the science of reading, built for multilingual learners, and designed to simplify implementation without sacrificing depth.

Core Literacy

Deliver comprehensive, standards-aligned instruction that builds lifelong literacy skills, confidence, and critical thinking.

dragonfly

For Grades K–5: knowledge-rich ELA grounded in the science of reading and immersive storytelling

studysync

For Grades 6–12: research-based curriculum with rigorous instruction, integrated writing, and engaging texts and multimedia

Foundational & Early Literacy

Develop decoding, language, and comprehension with tools built for early growth and multilingual access.

- **Imagine Sonday System LPL (PreK–K)**: systematic, direct, and explicit instruction in pre-reading and early reading foundational skills
- **Imagine EarlyBird Screener (PreK–3*)**: engaging, efficient early literacy screener
- **Imagine Language & Literacy® (PreK–6)**: adaptive reading instruction and practice that accelerates language and literacy development side by side
- **Imagine Sonday System Essentials (K–5)**: structured, multisensory whole-group phonics instruction
- **Imagine MyPath® Reading (K–12)**: personalized, age-appropriate reading instruction and practice

- Imagine Sonday System Let's Play Learn (LPL)

Intervention & Recovery

Address unfinished learning with adaptive, data-powered tools that drive targeted progress.

- **Imagine Sonday System LPL, 1, and 2 (PreK–12)**: accelerated, teacher-led learning recovery through systematic, explicit instruction based on the Orton Gillingham approach
- **Imagine Language & Literacy (PreK-6)**: adaptive Tier 2 solution for language-rich intervention with appropriate scaffolds to accelerate learning

*State-dependent

- **Imagine MyPath Reading (K–12)**: personalized, adaptive reading intervention targeting essential skills to close gaps quickly in an age-appropriate learning interface

- Imagine Language & Literacy
